McDonald, and T. Leonard Bernstein Fronted el porto 3. For example, the ode had its heyday in Russia in the eighteenth century, then went into spectacular decline for much of the nineteenth, only to be revived in spirit, if not in form by Mayakovsky in the twentieth. Another part was a demand for stability and increased repression from the conservative sectors of society who saw their class position threatened by political challenges to the existing social order. An effective management system needs an advocate. For Ivanov, whose fascination with antiquity affected both the texture of his verse and its themes, poetics meant mythopoetics, with personal and contemporary themes always submerged in the timeless and selfless world of myth.
