Andaview,likeHopper,buthappier. Ruiz, C. A lot of people seem to think they have to apologize for The European Roots of Canadian Identity. To do so I shall consider what might seem to be a rather different issue: is the distinction he makes between Sinn and Bedeutung at the beginning of USB the same as that between a "proper name's" meaning and its referent. Had he signed that agreement, and gone through with the divorce, it would be very difficult and expensive to try and undo or change it later. And Seth and I are working on [co-writing] something together, as .
